

REFERENCE NO-2020/01

To

Honable Chief Minister,

Punjab.

18th May, 2020

Subject- Seeking permission for Film video shooting.

Respected Sir,

We, the applicants, are making submission on behalf of the shooting unit consisting of thousands of workers (MORE THAN 2000 FAMILIES) who have their sole earning source from Shooting line consisting of Camera Man, Director, Producer, Artist, Production unit, spot Boys, Makeup Artist etc, editors, producers, light man, etc.

Almost all the members belongs to shooting lines are daily wage earners and has sole source of earning through day to day shootings and due to the Pandemic caused by Covid -19, all of them are sitting helpless and unemployed since long. They all have their family to feed and due to non-earning of their livelihood, their life is getting miserable.

That with great efforts and restless nights spent by our Punjab Governments and their officials including Doctors,

Police and Administration, has effectively controlled this Pandemic in the State. Further, From time to time many other relaxations has been given to different people, businessman and professionals in the State by allowing them to re-open their working places subject to fulfilling certain precautionary measures but unfortunately, the relaxations given in the state is silent about giving permissions of shootings in the state.

So, being a representative of the above mentioned people, as well as, being self affected persons, we requests you to initiate the steps to re-open/allowing shooting units in the state for shootings songs and ads etc. Further, we are respectfully submitting certain suggestions and undertakings which we will follow while doing shootings to prevent the spread of the pandemic i.e COVID -19, The suggestions are enumerated hereinafter:-

- The shooting crew will consist of less number of persons, which will not be more than of 30 members.
- Will maintain social distancing from outsiders as well as within crew by properly creating boundaries within shooting area.
- We will Maintainance of proper hygiene and sanitisation of the studio/shoot location before and after shoot is done.
- Packed food and water bottles for cast and crew.
- Medical team to check body temperature(thermal scanning) and other symptoms to avoid the spreading of

virus.

-Sanitization for person entering the studio with availability of proper kit.

-Usage of cigarettes ,paan,gutka ,tabacco and consumption of liquor is strictly prohibited.

-All crew shall be mandate to wear mask and gloves throughout the shoot other than artists when facing camera.

- Or any other condition given by this Hon'ble Authority.
